

24H TCE SERIES 24H TOURING CAR ENDURANCE SERIES

24HTCESERIES.COM POWERED BY HANKOOK

2017 CALENDAR

CLASSES

Touring cars, 24H Specials and Grand Touring cars up to GT4

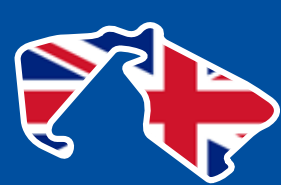

The 24H TCE SERIES, Touring Car Endurance Series, is originally introduced for Touring cars. Grand Touring cars up to GT4 will also be eligible as they fit from performance point of view. However, as the 24H TCE SERIES is originally introduced for Touring cars, it is a principle choice to have the TCR class as highest class**.

Class TCR**	TCR cars (Touring Cars Supercharged 1600/2000cc)
Class SP3-GT4**	Touring cars, 24H Specials and Grand Touring cars up to GT4*
Class CUP1	BMW M235i Racing Cup (3000cc Twin Turbo)
Class A3	Petrol Touring Cars 2000 up to 3500cc and Supercharged 1650 up to 2000cc (except TCR cars) and Diesel 2000 up to 3000cc
Class A2	Petrol Touring Cars up to 2000cc and Supercharged up to 1650cc
Class D1	Diesel Touring Cars up to 2000cc
Class Fun Cup	VW Fun Cup

* Class SP3-GT4: Touring cars, 24H Specials and Grand Touring cars up to GT4. Cars which are not accepted in any other class, based on minimum reference lap time (Guideline is 3.5kg/hp).

** TCR class is highest class. SP3-GT4 Cars might be slightly faster (lap time) than cars in class TCR, however TCR is considered as the highest class of TCE SERIES. For this reason, the performance SP3-GT4 cars over 12/24h will be balanced (e.g. with extra pit stops, BOP-time penalties, limited refuelling amount, ect.).
